Dear Nanette:

Thank you for your generous gift of \$1,767.50 through your employee giving program. We are so grateful and honored you have chosen Orangewood Foundation as a partner charity. This donation supports our programs to help prepare foster and community youth to reach their greatest potential.

Orangewood Foundation assists almost 2,000 foster and community youth in Orange County each year. Our programs are critical to their long-term success and focus on four critical areas: basic needs, housing, life skills and employment, and education. Sadly, without guidance, encouragement and resources these teens are unprepared to make the transition from foster care to self-sufficient adulthood. Within 18 months 40-50% become homeless and unemployed.

Your gift will provide foster and community youth the resources they need to truly thrive and prosper: from groceries and a hot meal, to transitional housing, to life skills workshops and employment leads, to our innovative Samuelli Academy charter high school and scholarships for college and graduate school. Your donation shows our youth that there are generous community partners who care about their success.

Sincerely,

Christian E. Simonsen
Chief Executive Officer
