

The Book Fairies

November 25, 2015

Dear Marcum,

I am sending over a huge thank you to the wonderful volunteers from Marcum! The staff was motivated, fun loving and hard working. In just five short hours, the volunteers sorted every book in the warehouse, stickered and counted the book fair books and made a generous financial contribution. AMAZING!

The Book Fairies currently has over 40 high poverty schools and anxiously awaiting their books. We didn't have the time or the staff to accomplish this task before the holidays. Because of your dedication to community volunteerism, we will be able to donate over 4,000 books to children in need across Long Island and NYC.

I never could have done it without Marcum's awesome staff. Thank you again for encouraging a day of volunteering in the community!

Sincerely,

A handwritten signature in black ink that reads "Amy Zaslansky".
